FACE SHIELDS

COVID-19 PPE

- Medical Device Establishment Licence (MDEL) Approved Face Shields.
- Lithocolor has designed and manufactured Face Shields – a line of protection, ideal for staff in a retail or commercial setting. The shields can also be worn with a hardhat – a must for construction and utility workers.
- Contact your local ESBE Representative for more information.

Disclaimer: These shields offer protection and are MDEL Class 1 certified (UM-SU-40001). They do not guarantee protection against COVID-19. They have not been tested or certified against CSA, ASTM or other standards. Not to be used by any 'hot work' contractors, such as welders. Please use responsibly.

Face Shield

- 015 Polycarbonate & PETG Options.
- One size fits all, with adjustable head sizing band.
- Individually packaged in a polybag.
- Use alcohol-based cleaning products for best results.
- UOM: EA
